

WWW.TAS.ECO-SHOUT.ORG

Eco-shout has been designed as a catalyst to action for Melbourne's green community, those campaigning for environmental and indigenous justice and a sustainable future.

Eco-shout.org provides information and support for any person wishing to:

GET INFORMED

about environmental issues and how to become involved in the solutions- from becoming part of a campaign to making your own life more sustainable

GET A JOB

that doesn't exploit people or the planet

GET ACTIVE

in alternative events and communities, find out about free adventures in the city and away, public forums and protest.

What you'll find on the website:

GET INFORMED:

- the issues** (big issues facing Aus)
- active groups** (campaigning for change)
- green directory** (organics, veggie eats, co-ops ..)
- greenwash** (the spin not helping the planet)

GET A JOB

- jobs** (from organic grocers to NGOs)
- volunteer** (first hand advice & networks)
- education & training** (uni & short courses)

GET ACTIVE

- events** (gigs, talks, festivals, protests, free stuff!)
- adventure** (grass roots tourism & day trips)
- housing** (find a share-house or housemate)
- hitch a ride** (find a lift or a car companion)
- scavenger** (where to dumpster and get free stuff)

Want to find **your** group, project or sustainable business on the website? Contact us.
